

Our Impact

May Half Term 2022

OUR MISSION: TO PROVIDE THE COMMUNITY WITH AFFORDABLE AND FUN FAMILY ACTIVITIES

May Half Term and The Queens Platinum Jubilee saw The Freedom Centre celebrate with the community.

The centre was decorated for very little revenue as the teams came together to create homemade crafts and decorations.

The community where also involved in decorating the centre with our drop-in craft sessions which was done in partnership with the library. This created a bunting pillar.

For the 3 days we were open for the May half term we had the craft drop in which was free and saw 83 people come and join in.

We also had the Jubilee Afternoon Tea which 73 people attended at £10.95 per person. This event included entertainment and afternoon tea.

All enjoyed the event.

Our Numbers

Number for craft drop in participants: 83

Percentage of packs given out: 100%

Number of Jubilee Afternoon Tea seats available: 100

Percentage of seats taken: 73%
