

Our Impact

Halloween 2022

OUR MISSION: TO PROVIDE THE COMMUNITY WITH AFFORDABLE AND FUN FAMILY ACTIVITIES

Halloween 2022 brought craft sessions, Pumpkin Carving, Pantomime and newly introduced Halloween Bingo.

The Centre was decorated and we had a raffle with giant pumpkins that were donated from a local allotment. We also did a Halloween Trail where we hid pictures around the centre and the village centre for children find and once they had completed this they came back and received a trick or a treat. We had 91 children participate in this FREE activity.

We started with our Pumpkin Carving Session which 30 children attended and received lunch.

We then had our annual Halloween Pantomime - The Panto Zone. One of these shows sold out with 200 capacity, reduced capacity was decided to make people feel comfortable.

We then had a new event which was our Halloween Family Bingo which included lunch and prizes. This event was also a sell out!

We finished with Halloween with a craft session which included lunch and was a sell out! We received amazing feedback from events and many said that they would return!

FUNDRAISING AND FUNDING PROVIDER

A Local allotment donated giant pumpkins for a raffle. Tickets were sold at £1.00 each.
