

Our Impact

February 2023

OUR MISSION: TO BRING SOMETHING NEW TO THE CENTRE IN THE FEBRUARY HALF TERM

For 2023 we had the centre available for the first time in a few years and decided to dedicate the time to the community.

We created 3 events with a Valentines theme; Valentines Family Bingo, Valentines Craft session and a Gardening Craft session. All 3 events were well attended and received very good feedback.

We also provided the community with a Uniform Event; this gave the community the opportunity to get free uniform which has been donated over time by the community and has been washed and arranged by our staff members. The uniform can just be taken or can be swapped which then helps additional families.
